***VIII International scientific conference
"PROBLEMS OF COMPLEX DEVELOPMENT OF GEORESOURCES"***

September 8-10, 2020

Khabarovsk, Russia

VIII International scientific conference "Problems of Complex Development of Georesources" organized by Mining Institute of the Far Eastern Branch of the Russian Academy of Sciences together with the Mining Institute of the North, Siberian Branch, Russian Academy of Sciences, will be held in Khabarovsk, on September 8-10, 2020.

CONFERENCE TOPICS

1. Geotechnical and geomechanical problems of subsoil development.
2. Problems of complex processing of mineral raw materials and new technologies of mineral processing.
3. Strategic, geoecological and economic problems of subsurface use.
4. Innovative technologies and methods for monitoring natural and mining systems.

KEY DATES

15.03.2020 – application submission deadline

01.08.2020 – full paper submission deadline

15.08.2020 – formation of final list of Conference participants; sending out official invitations and Conference program

The conference publishing partner is the journal "Environment, Energy and Earth Sciences (E3S) Web of Conferences" (France), indexed in the Web of Science and Scopus databases. Maximum of 2 articles by one author are accepted.

FOR PARTICIPATION IN THE CONFERENCE, IT IS REQUIRED:

To submit a manuscript of the paper (see ***SUBMISSION REQUIREMENTS*** at <http://igd-konf.khfr.ru/>) and declaration of competent person on the possibility of open publication of the article before August 1, 2020 in electronic format to email igd-konf@mail.ru. Articles are accepted in Russian with translation into English. After reviewing, the editorial board decides whether to accept or reject the article. The editorial board reserves the right to reject articles of a low scientific level that are not relevant to the Conference topics, poor-quality translation or incorrectly formatted.

Registration fee:

In case of publication of paper in the journal “Environment, Energy and Earth Sciences (E3S) Web of Conferences”, registration fee is 6500 RUB.

For other Conference participants the fee is 2000 RUB.

PAPER SUBMISSION REQUIREMENTS:

1. Volume from **5** to **7** pages, text editor ***Microsoft Word***; paper size 170x250 mm; portrait orientation, margins on the right / left - 20 mm, at the top - 24 mm, at the bottom - 16 mm; without hyphenation; Times New Roman font, font size of the main text - 10 pt, line spacing set at 1 interval, indentation - 0.5 cm, pages are not numbered.

2. ***Publication structure:*** 1. Title; 2. Abstract; 3. Keywords (at least 5 terms); 4. Introduction; 5. Theory (for theoretical papers) or experimental research methodology (for experimental work); 6. Results and discussion; 7. Conclusions; 8. References.

3. Article title shall be in **Arial** font, font size - 16 pt, bold.

4. After the title the following shall be indicated:

- the name and surname of the authors - first the name is indicated, then the surname - Ivan Ivanov - and a reference to the organization (if the authors are from different organizations);

- the name of the scientific organization / university / enterprise - as it appears in official documents / on the web pages of organizations;

- the postal address of the organization, including street, building, postcode;

- e-mail of the author responsible for correspondence with the editorial board.

5. ***Abstract*** is between 150 and 200 words and ***keywords*** (from 5 to 10).

6. ***Units of physical quantities.*** When preparing a paper, it is essential to refer to the International System of Units (SI).

7. ***Tables shall be numbered*** if there is more than one table. Proper caption is required when table has an independent significance, auxiliary (supporting) tables are provided without caption.

8. ***Mathematical formulas.*** Complex and multi-line formulas must be entirely typed in the ***Microsoft Equation 3.0*** formula editor. Only consecutive numbering shall be used. Single characters/symbols are inserted into the text without using the formula editor.

9. ***Figures, tables, graphs, photographs*** should be clear and easy-to-understand, they should be included in the text of the work. **Pictures scanned from elsewhere are not accepted.** Resolution of pictures shall be not less than 300 dpi.

10. ***Bibliographic list*** shall be designed in accordance with GOST R 7.05-2008 "Bibliographic reference". References in the text shall be given in square brackets, for example: [1], [2, 3], [4-7]. They should be numbered in the order in which they are referenced. The full link should contain sufficient information for the article search.
